Richard, it's been over a month now since XTRA requested access to the sampling results and related documents from your client's work on XTRA's property. To date, I have not received any substantive response to my letter of September 27, nor has your client provided XTRA with any of the information or documents that we requested.

I would appreciate the courtesy of a prompt response letting us know of Blue Tee's position so that we can decide how to proceed.
